

Easter Seals RI

will be offering...

Infant Massage Classes

Certified Educators of Infant Massage at Easter Seals are offering classes for parents of children 8 weeks to 10 months (or pre-crawlers), please join us for a 5 week course to learn how to massage your baby as a means of enhancing bonding and communication. Parents and babies meet in a supportive, relaxed environment to learn massage techniques and the value of nurturing touch.

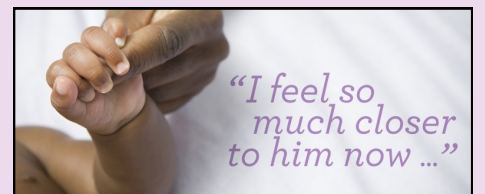

Some potential benefits of infant massage include: **relief** of gas or constipation, **relaxation** leading to better sleep patterns, and promotion of **bonding** by learning to read your child's individual communication cues.

Classes will begin in the Fall 2012

at Easter Seals RI - 213 Robinson St. Wakefield, RI

Cost is \$60 for the 5 week course

To register please call, Rachael Corr, RN, at 401-284-1000 ext. 17 or email rcorr@eastersealsri.org
