TED RHODES GOLF COURSE

Ted Rhodes Golf Course is situated on the banks of the Cumberland River in Metro Center. The course was originally called Cumberland Golf Course and was originally a nine-hole course.

The first nine at Ted Rhodes was built in 1953. In May of 1992, the facility was redesigned and expanded from nine to eighteen holes. The links style course incorporates lakes and bunkers to provide a pleasurable round for each golfer.

Make checks payable to FAMC and mail to:
