Pediatric Neuropsychologist Opportunity in Windsor

We currently have an opening for a Pediatric Neuropsychologist in the Medical Rehabilitation Program at our Windsor, CT location

Position Description:

Easter Seals Capital Region & Eastern Connecticut, Inc. is seeking a full-time Pediatric Neuropsychologist to join its thriving Neuropsychology Department. Our department provides comprehensive outpatient adult and pediatric neuropsychological examinations, and is an integral component of the multi-disciplinary team within our medical rehabilitation program. Pediatric and/or Lifespan neuropsychologists are encouraged to apply. Our facility is a unique rehabilitation center in the state of Connecticut, and we serve diverse populations presenting with such issues as brain injury, stroke, neuro-developmental disorders, learning disabilities, dementia, psychiatric issues, and comprehensive medical needs. We also participate in the state's Acquired Brain Injury program, and work with a variety of specialists as part of the ongoing care of our patients. We are also involved in an ongoing Research study with Connecticut Children's Medical Center (CCMC) and Children's Oncology Group (COG). Furthermore, our work with Autism is also regionally recognized.

Candidates must understand Easterseals' mission, values and assume an Easterseals' "ambassador" role internally and externally with third parties.

Qualifications:

The successful candidate will be a graduate from an APA accredited program, will have completed an APA accredited internship, and will have completed a post-doctoral fellowship in neuropsychology. Connecticut licensure or license eligibility is required. Supervision opportunities with graduate students from a local university program are available, as we enjoy strong didactic, teaching, and training opportunities. Candidates fluent in Spanish are encouraged to apply. Early career neuropsychologists are encouraged to apply, as well. We offer a competitive benefits package in a great working environment with a dynamic team.

To Apply:

Interested candidates are invited to send their resume and cover letter to Howard M. Goldfischer, Psy.D. at Hgoldfischer@esrec.org
